TRAIL STORY

A long natural ravine inside the city

Dimple Dell protects a broad open-space corridor where runoff, dry slopes and pockets of trees create different habitats. Its web of routes lets families design a short walk or a longer loop.

LIVE TRAIL PAGE

Scan for current trail details and trailhead directions.

LOOK FOR - SIGHTINGS ARE NEVER GUARANTEED

- | | |
|---|---|
| ☐ A horse or hoofprint | ☐ Cottonwood leaves near wetter ground |
| ☐ Sagebrush on a dry slope | ☐ A bridge or trail junction |
| ☐ Bird tracks or feathers | ☐ Mud cracks or another water clue |

THREE TRAIL MISSIONS

- 1 At two junctions, stop and practice reading the trail signs.
- 2 Compare plants in the ravine bottom with plants on the slope.
- 3 Build a loop plan with one easy family turnaround.

MAP IT!

Create your own loop map with arrows at each trail junction.

Add a legend: start, water, rest stop, viewpoint and turnaround.

KIND HIKER CODE

- Stay on the signed trail.
- Give wildlife plenty of room.
- Leave plants, rocks and water alone.
- Pack out every snack scrap.

THIS TRAIL'S SMART RULE

Yield to horses, avoid muddy trails and keep a family map or location pin handy at junctions.

GROWN-UP CHECK

Weather, access, parking and closures can change.
