TRAIL STORY

A river trail connecting the valley

The Jordan River Parkway follows the river through Salt Lake County for about 45 miles and connects toward Utah Lake and the Great Salt Lake. The river corridor gives wildlife a green route through the city.

LOOK FOR - SIGHTINGS ARE NEVER GUARANTEED

- | | |
|--|--|
| ☐ A cottonwood or willow beside the river | ☐ A duck, goose or heron |
| ☐ A bike bell or shared-path sign | ☐ An insect over the water |
| ☐ A bridge or river bend | ☐ A place where plants shelter the bank |

THREE TRAIL MISSIONS

- 1 Watch the river and decide which direction it is flowing.
- 2 Practice a safe pass: keep right, look and listen.
- 3 Find three ways the river supports plants, animals or people.

MAP IT!

Draw the river as a winding line, then add the path, bridge and playground.

Add a legend: start, water, rest stop, viewpoint and turnaround.

KIND HIKER CODE

- Stay on the signed trail.
- Give wildlife plenty of room.
- Leave plants, rocks and water alone.
- Pack out every snack scrap.

THIS TRAIL'S SMART RULE

This is a busy shared path. Keep right, announce passes and hold small hands near the river.

GROWN-UP CHECK

Weather, access, parking and closures can change.
